

## CURRICULUM VITAE

Eric P. Slade

### **Office:**

Department of Psychiatry  
Division of Services Research  
University of Maryland, School of Medicine  
737 W. Lombard Street, Rm. 526  
Baltimore, MD 21201-1549

Tel. (410) 706-8469  
Fax. (410) 706-0022  
E-Mail [eslade@psych.umaryland.edu](mailto:eslade@psych.umaryland.edu)

### **EDUCATION**

Brown University, Ph.D., Economics, 1997  
Thesis Advisor: Anthony Lancaster  
Brown University, A.M., Economics, 1992  
Northwestern University, B.A., Economics, 1989

### **PROFESSIONAL EXPERIENCE**

2005- Research Health Scientist, VISN5 Capitol Healthcare Network Mental Illness Research Education and Clinical Center, Department of Veterans Affairs (VA) Medical Center, Baltimore, MD.

2004- Associate Professor, Department of Psychiatry, University of Maryland School of Medicine, Baltimore, MD.

1996-2004 Assistant Professor, Department of Health Policy and Management, The Johns Hopkins University, Baltimore, MD.

1992-1996 Lecturer, Department of Economics, Brown University, Providence, RI.

1991-1996 Research Assistant, Department of Economics, Brown University, Providence, RI.

1990-1994 Teaching Assistant, Department of Economics, Brown University, Providence, RI.

1994 (summer) Research Assistant, Poverty and Human Resources Division, World Bank, Washington, DC.

1992 (summer) Research Assistant, Bureau of Labor Statistics, Washington, DC.

## AWARDS

International Center for Mental Health Policy and Economics, Adam Smith Award, 2003, awarded to Eric Slade and David Salkever for the article, "Symptom Effects on Employment in a Structural Model of Mental Illness and Treatment: Analysis of Patients with Schizophrenia" (Journal of Mental Health Policy and Economics, 4(1), 2001, pp. 25-34).

Johns Hopkins University, Center for Adolescent Health Promotion and Disease Prevention, Development Award, 2002-2003.

## GRANT SUPPORT

### **Active**

- 2012-2016 Investigator (PI: Jankowski), Initiative to Improve Access to Needs-Driven, Evidence-Based/Evidence-informed Mental and Behavioral Health Services in Child Welfare, U.S. Department of Health and Human Services, Administration on Children, Youth and Families, Total Cost: \$3,187,103
- 2013-2016 Investigator (PI: Goldberg), A Hybrid Effectiveness-Implementation Trial of a Wellness Self-Management Program, U.S. Department of Veterans Affairs, Health Services Research & Development Service, Total Cost: \$1,088,881
- 2012-2014 Principal Investigator, OEF/OIF Veterans with PTSD in Mental Health Residential Treatment Programs, U.S. Department of Veterans Affairs, Health Services Research & Development Service, Total Cost: \$449,834
- 2013-2014 Co-Principal Investigator (co-PI: Cohen A), Cost-Effectiveness of an Intervention to Improve Care for Schizophrenia. U.S. Department of Veterans Affairs, QUERI, Total Cost: \$100,000.
- 2012-2016 Investigator (PI: Ginsburg), Modular CBT for Reducing Anxiety and Improving Educational Outcomes, U.S. Department of Education, Institute for Educational Sciences, Total Cost: \$3,288,681.
- 2011-2013 Principal Investigator, Estimating Mental Health Expenditures Using National Household Survey Data, National Institute of Mental Health, Total Cost: \$275,000.
- 2010-2014 Investigator (PI: Cohen J), TF-CBT for Adjudicated Youth in Residential Treatment, National Institute of Mental Health, Total Cost: \$2,042,858.
- 2010-2015 Investigator (PI: Wissow), A Developing Center on Identification and Treatment of Mental Health Problems in Children, National Institute of Mental Health, Total Cost: \$2,970,748.
- 2009-2012 Investigator (PI: Goldman), The Evidence Based Practice Center, State of Maryland, Dept. of Health & Mental Hygiene, Direct Cost: \$336,526.
- 2008-2013 Investigator (PI: Buchanan), ACISR: Enhancing Recovery of People with Schizophrenia, National Institute of Mental Health, Total Cost: \$1,909,560

2007-2012 Investigator (PI: Mueser), "Cognitive Behavioral Treatment of PTSD in SMI Clients," Total Cost: \$5.2 million.

2007-2012 Principal Investigator, "Do Medicaid Prescription Drug Copayments Impede Use of Psychotropic Medications among Persons with Serious Mental Illness?," NARSAD Foundation, Independent Investigator Award, Total Cost: \$100,000.

2005-2013 Investigator (PI: Lever & Stephan), "School Mental Health Program and Policy Analysis Centers: Advancing Mental Health Services in Schools," Human Resources Services Administration and the Substance Abuse and Mental Health Services Administration, Total Cost: \$1,815,588

2004-2013 Investigator (PI: Ialongo), "Center for Prevention and Early Intervention," National Institute of Mental Health, Total Cost: \$2,650,000

**Inactive**

2007-2011 Principal Investigator, "Use of Mental Health and Primary Care Services among Disadvantaged Young Adults," National Institute of Mental Health, Total Cost: \$500,000.

2009-2011 Investigator (PIs: Lieberman/Dixon), Recovery After an Initial Schizophrenia Episode (RAISE), National Institute of Mental Health, Total Cost: \$2,473,748

2007-2010 Principal Investigator, "VA Systems for Persons with Traumatic Brain Injury," Department of Veterans Affairs, Total Cost: \$50,000.

2006-2008 Principal Investigator, "Access Criteria and The Cost of Mental Health Intensive Case Management," Department of Veterans Affairs, Total Cost: \$430,000.

2005-2008 Investigator (PI: Rosenberg), "The STIRR Intervention for Dually Diagnosed Clients," National Institute of Mental Health, Total Cost: \$776,000

2002-2007 Investigator (PI: Wissow), "Trial of Psychosocial Training for Pediatric Generalists," Total Cost: \$1,275,000

2004-2007 Principal Investigator, "Elementary School Climate and Child Behavior Problems," National Institute of Mental Health, Total Cost: \$100,000

1999-2004 Investigator (PI's: Steinwachs and Lehman), "Center for Research on Services for Severe Mental Illness," Total Cost: \$3,573,697

2003-2004 Principal Investigator, "Cost-Sharing and Service Use in the U.S. Schizophrenia Care and Assessment Program," The Medstat Group, Total Cost: \$85,000

1999-2004 Principal Investigator, "Parental Investments and Children's Mental Health," National Institute of Mental Health, Research Career Award, Total Cost: \$650,000

1997-2003 Investigator (PI: Salkever), "Economic Analysis of Cost and Effectiveness of Schizophrenia Treatment," The Medstat Group, 1998-2003, Total Cost: \$536,440

- |           |                                                                                                                                          |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------|
| 1998-1999 | Investigator (PI: Eaton), "Epidemiological Catchment Area Study Follow-Up," National Institute of Mental Health, Total Cost: \$1,243,000 |
| 1998-1999 | Investigator (PI: Anderson), "The Cost of Health Care in OECD Countries," The Commonwealth Fund, Total Cost: \$150,000                   |
| 1994-1995 | Principal Investigator, "Job Mobility and Health Insurance Coverage," Bureau of Labor Statistics Project Grant, Total Cost: \$25,000     |

## **GOVERNMENT CONTRACTS**

1. U.S. Department of Health and Human Services, Assistant Secretary for Planning and Evaluation, "Feasibility of Expanding Participant-Directed Services to People with Serious and Persistent Mental Illness," 2011-2012.
