

VA ADVANCED FELLOWSHIP IN VETERAN MENTAL HEALTH AND SUICIDE PREVENTION

The **VA VISN 2 Center of Excellence for Suicide Prevention** and the affiliated **University of Rochester Center for the Study and Prevention of Suicide (UR-CSPS)** are pleased to announce the availability of postdoctoral fellowship positions for psychologists, physicians and associated health professionals. The two-year program is supported by the VA Advanced Fellowship Program in Mental Illness Research and Treatment.

Program Goal: To prepare the next generation of leaders and innovators in suicide prevention research, education and clinical care. We offer specialized training focused on suicide prevention strategies, with emphasis on at-risk populations including older Veterans; Veterans with depression, PTSD or other mental health disorders; Veterans with substance use disorders and comorbid conditions; and Veterans facing health challenges such as chronic pain and sleep disorders. We also offer unique clinical and research opportunities in crisis response strategies and other brief interventions to address suicide risk. The fellowship is associated with (but not identical to) the UR-CSPS NIMH T32 Research Fellowship in Suicide Prevention. Prospective fellows may apply to both fellowships.

Fellowship Activities: Participants spend approximately 75% time in research and 25% in related clinical activities, work closely with senior research and education mentors, participate in core didactic offerings of the VA Hub Site and UR-CSPS, obtain advanced clinical training in VA sites matched closely to research interests, prepare *at least* one paper for publication and one national presentation each year, and complete a suicide prevention education project.

Training Faculty:

Lisham Ashrafioun, PhD
Matthew J. Barry, DO
Todd M. Bishop, PhD
Robert M. Bossarte, PhD
James T. Bridges, PhD
Peter C. Britton, PhD
Eric D. Caine, MD
Kenneth R. Conner, PsyD, MPH
Yeates Conwell, MD
Wendi F. Cross, PhD
Claudiu Dumitrescu, PsyD
Stephanie A. Gamble, PhD
Elizabeth Karras, PhD
Ronald C. Kessler, PhD
Jill E. Lavigne, PhD, MPH
Matthew K. Nock, PhD
Wilfred R. Pigeon, PhD
Kelsey V. Simons, PhD, LMSW
Tracy Stecker, PhD
Kimberly A. Van Orden, PhD
Gary Warner, PhD

Fellowship Director:

Stephanie A. Gamble, PhD

Associate Fellowship Director:

Todd M. Bishop, PhD

Application: Send letter of interest, CV, graduate transcripts and 3 letters of recommendation to:

Stephanie Gamble, PhD c/o
Tracy Dilcher
Department of Veterans Affairs
400 Fort Hill Ave (COE)
Canandaigua, NY 14424 or
tracy.dilcher@va.gov

Psychologist/Associated Health Applicants:

Application Date: Preferred deadline January 3, 2020
Start Date: Flexible July 1 – October 1, 2020
Salary and Benefits: Stipend starting at \$47,624 for Year 1. Fellows are eligible for health and life insurance benefits through the Department of Veterans Affairs.
Requirements: **Entry into the program requires U.S. citizenship and completion of a doctoral degree, including dissertation defense, from an APA-, CPA- or PCSAS-accredited clinical or counseling program prior to the start date of the fellowship. Applications from those participating in new VHA psychology internship programs in the process of applying for APA accreditation may be acceptable provided that such programs were sanctioned by the VHA Central Office Program Director for Psychology and VHA Central Office of Academic Affiliations at the time of applicant's enrollment.**
Accreditation Status: Non-accredited

Physician Applicants:

Application Date: Rolling
Start Date: Flexible, but preferred July 1, 2020
Salary and Benefits: Stipend based on previous years of ACGME-accredited residency or fellowship experience. Opportunities to supplement stipend are available. Fellows are eligible for health and life insurance benefits through the Department of Veterans Affairs. Hiring flexibility is available with potential options of part-time appointments.
Requirements: **Entry into the program requires that all Physician Applicants complete an Accreditation Council for Graduate Medical Education (ACGME) residency and be Board eligible in their specialty at the commencement of the Fellowship. All applicants must document current, unrestricted U.S. medical licensure and the completion of ACGME or American Osteopathic Association (AOA)-accredited specialty and subspecialty residency training. The Physician Component of the Fellowship permits non-citizens of the U.S.**
Accreditation Status: Non-accredited
