Are you a Veteran of Operation Enduring Freedom/Operation Iraqi Freedom/Operation New Dawn (OEF/OIF/OND)?

You may be eligible to be part of an important research program being conducted by the VA Research Center of Excellence: Project SERVE: Post-Deployment Functioning.

The primary goal is to help us understand the experiences & unique challenges service members face over time after they return home from war. Knowledge gained from this project will help improve services & creating new treatments for current and future returning Veterans.

To find out if you are eligible to contribute by sharing your story, please call the Project SERVE direct line at **254-297-5175**. You can also reach us through the Central Texas VA's Toll Free Line: 1-800-423-2111, extension 55175. Eligible participants will be compensated for their time.
