

## Suicide Risk Management Consultation Program Lecture Series Suicide Risk Management for Rural Native Veterans

Please register by February 8, 2022 ([VA Registration](#) and [Non-VA Registration](#))

### Overview

#### Program Description:

Rural Native Veterans often experience disparate mental health outcomes due to military service.

This month, Dr. Jay Shore will present common mental health issues and how to provide mental health care to Rural Native Veterans including approaches in suicide risk management.

Following this live, knowledge-based webinar, clinicians and health care teams will be able to:

- Discuss an overview and context of work with Rural Native Veterans and their communities
- Describe mental health issues, including suicide risks impacting Rural Native Veterans, cultural elements, and protective factors
- Review suicide risk management with Rural Native Veterans
