

# Creating a Place to Call Home – Introduction & Information for Faith Communities

## Who?

This program is intended as a set of discussion topics for an adult education class or another already-existing small group. It would also be appropriate to convene a new group to view the program based on interest.

## What?

The program content is a set of four, 20-minute videos covering the topics of 1) Partners in Care, 2) Trauma, 3) Moral Injury and 4) Belonging. They are accompanied by a guidebook that contains suggested questions for group discussion after viewing each of the videos.

## When?

Although designed with an hour-long adult education class or mid-week group in mind, these videos and the guidebook could be used in other time frames.

## Where?

Faith communities with a venue that allows for projection of DVDs or access to video content housed on the internet.

## Why?

The program is designed to promote conversations focused on ways faith communities can foster a sense of belonging, particularly for veterans and persons with mental health issues.
