Manuscripts under review

1. Lorenzo-Luaces, L., Wasil, A.W., **Kacmarek, C.N.**, & DeRubeis, R. J., (under review). Racial and ethnic minority individuals are more willing to pay for digital mental health interventions: Results from a nationally representative survey.
2. **Kacmarek, C.N.**, Johnson, N.E., Osborn, T.L, Weisz, J.R., Yates, B.T., & Wasanga, C. (under review). Costs and cost-effectiveness of Shamiri, a brief, layperson-delivered intervention for depression and anxiety among Kenyan adolescents.
3. Travaglini, L.E., Bennett, M.E, **Kacmarek, C.N.**, Kuykendall, L., Coakley, G.N., Lucksted, A. (under review). Challenges to accessing pain management services among Veterans with serious mental illness: A pilot qualitative study.

INVITED PRESENTATIONS

2022 *Cultural humility: What it is and how to do it*, Veteran Outreach Program Specialist Regional Training Conference

PROFERRED COMMUNICATIONS

1. **Kacmarek, C.N.** (Presenter) (2018, October). Costing software development: How to estimate and allocate costs of developing web-based cognitive-behavioral treatments (CBT4CBT) for alcohol and other drug abuse, presented as part of the symposium *Seeking and Speaking Truths in Terms That Power Understands: Problems and Solutions in Cost-Inclusive Evaluation* conducted at the American Evaluation Association 32nd Annual Conference, Cleveland, OH.
2. **Kacmarek, C.N.** (Presenter) (2018, November). Cost-effectiveness of computerized cognitive behavioral therapy for alcohol use disorder, presented as part of the symposium *Adding to the CBT Evidence Database: Including Costs, and Benefits, for Cost-Effectiveness and Cost-Benefit Analyses* at the Association for Behavioral and Cognitive Therapies 53rd Annual Convention, Washington, DC.
3. **Kacmarek, C.N.** (Presenter) (2019, November). Delivering CBT in psychology training clinics: Costs, effectiveness, and cost-effectiveness from multiple perspectives, presented as part of the symposium *Cost-Effectiveness of CBT: Critical Information for Dissemination and Implementation* at the Association for Behavioral and Cognitive Therapies 54th Annual Convention, Atlanta, GA.
4. **Kacmarek, C.N.** (Presenter) (2020, April). Computer-delivered therapy vs traditional therapy for alcohol use disorder: A cost-benefit evaluation, presented as part of the symposium *Emerging Technologies and the Humans Who Use Them* at the Robyn Rafferty Mathias Student Research Conference, Washington, DC.
5. **Kacmarek, C.N.** (Presenter) (2020, October). It takes a village to disseminate and evaluate:

- Maximizing inclusivity by including training and development costs in the evaluation of psychology training clinics, accepted for the cancelled (moved to virtual) in-person symposium *Including Costs in Your Evaluation: Advice & Guidance* at the American Evaluation Association 34th Annual Convention.
6. **Kacmarek, C.N.** (Presenter) (2020, November). The cost-saving potential of computer-delivered CBT for alcohol use disorder, presented as part of the symposium *Cost-Effectiveness and Cost-Benefit Analyses of CBT and Alternative Interventions for Childhood Attachment, Anxiety, Depression, Alcohol Abuse, and Suicide Prevention: Methods as Well as Findings* at the Association for Behavioral and Cognitive Therapies 55th Virtual Annual Convention.
 7. **Kacmarek, C.N.** (Presenter) (2021, November). Associations between clinical and monetary outcomes in an outpatient alcohol use disorder treatment program, presented as part of the symposium “*Are Cost-Effectiveness and Cost-Benefit Analyses Types of Evaluation?*” ... *and Should They Be?* at the American Evaluation Association 35th Virtual Annual Convention.
 8. **Kacmarek, C.N.** (Panelist) (2021, November). *Championing CBT with a Research Framework for Investigating the Cost-Effectiveness and Cost-Benefit of Different Delivery Systems for CBTs*, presented as a research spotlight presentation at the Association for Behavioral and Cognitive Therapies 56th Virtual Annual Convention.
 9. **Kacmarek, C.N.** (Co-moderator) (2021, November). *Maximizing the Societal Value of CBT: How Economic Evaluations Can Improve the Implementation and Dissemination of Cognitive and Behavioral Therapies*, panel presented at the Association for Behavioral and Cognitive Therapies 56th Virtual Annual Convention.
