Social Skills Outside Practice Record
What to Do When Someone Goes Off the Topic

The steps are:

Step 1. Say something like “That’s interesting; can we talk about that after we finish this discussion?”

Step 2. If the person has forgotten what the topic is, politely remind him or her.

Step 3. Judge whether the other person is still interested in the original topic.

Step 4. If the other person is interested, continue the discussion. If he or she is not interested, politely end the conversation or talk about something new.
